## **ADVICE TO SECRETARIES**

1. If in doubt write to your County Association or your Competition Secretary for advice. Failure to comply with the Rules may cost your Club a League Championship.
2. Before signing a Service player write to his Commanding Officer for permission. If injured while playing for a Civil Club without permission the Service player may forfeit any wages or pension he is entitled to receive. This is also necessary when a player joins the Navy, Air Force or Army.
3. Please be sure to have good telephone contact in case of urgent messages. This can save a lot of trouble.
4. Give all the help you can to your opponents and referee. They always welcome good sportsmanship and the provision of good changing facilities.
5. Make every effort to avoid cancellation of fixtures. Two or three weeks bad weather could, added to cancellations, bring a complication of fixtures to your Club.
6. Registration Forms should be checked for accuracy, see they are filled in as stated and sent, intact, with counterfoil.
7. All grounds should be marked out as per rule. Make sure your ground is marked correctly and distinctly. Failure to adhere to this could mean the referee refusing to play a Match.
8. Make every effort to have good First Aid equipment available and if possible a qualified person, this may save limbs, trouble and anxiety.
9. It is the duty of Club Secretaries to clear Referee's fees and expenses immediately after the Match. This will avoid confusion and misunderstanding.
10. It is the responsibility of ALL Clubs to ensure their players are, in the case of injury, either covered by insurance or will continue to receive remuneration during any period of incapacitation. The League recommends Mann Broadbent Insurance – see details in this handbook.
11. Clubs have a "duty of care" – see Rule 7.3.2
12. Clubs must support the F A Code of Conduct and prepare their own code – see Rule 7.3.3 and Appendix G.

## **GUIDANCE FOR MARKING REFEREES**

(Approved by F A Referee's Committee)

General Control

Including confidence, impartiality, satisfactory dealing with major incidents.

Application of Laws

Including correctness of decisions, clear signals, good positioning, fitness and advantage.

A mark of 100 would be regarded as excellent and a mark of 70 regarded as adequate  
(see page 18)

## **MATCHES WITH FOREIGN CLUBS**

Clubs wishing to play clubs of another nationality must apply to the Football Association for consent at least 14 days before the intended match. The Football Association will inform the other Associations concerned when consent has been given for the matches applied for.

## **REPORTING RESULTS**

For Saturday fixtures you must text 07537 401857 before 5.00pm.

For Midweek Fixtures text the same number no later than 45 minutes from the end of the match

## Guidelines for Marking Referees

The mark given by a club must be based on the referee's overall performance. It is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The referee's performance should be determined by the table below which should act as a guide for the overall mark which should fall within the range of each standard of performance.

Mark Range	Comment
91 – 100	The referee was extremely accurate in decision making and very successfully controlled the game using management and communication skills to create an environment of fair play, adding real value to the game
81 - 90	The referee was very accurate in decision making and successfully controlled the game using management and communication skills to create an environment of fair play
71 – 80	The referee was accurate in decision making and controlled the game well, communicating with the players, making a positive contribution towards fair play.
61 - 70	The referee was reasonably accurate in decision making and controlled the game quite well and communicated with the players, establishing a reasonable degree of fair play.
51 - 60	The referee had some shortcomings in the level of accuracy of decision making and control, with only limited success in communicating with the players resulting in variable fair play.
50 and below	The referee had significant shortcomings in the level of accuracy of decision making and control, with poor communication with the players which resulted in low levels of fair play.

### Notes.

A mark between 71 and 80 represents the standard of refereeing expected.

A mark within each mark range can be given to reflect the referee's performance e.g. a mark of 79 indicates a somewhat better performance than a mark of 71.

When a mark of 50 or less is awarded a written explanation must be provided to the league or competition as instructed on the marking form. It must include comments which could help improve the referee's future performances. Even where a referee has significant shortcomings there will have been some positive aspects which should be given credit; extremely low marks (below 20) should be very rare.

## **Respect Code of Conduct**

## **ADULT PLAYERS**

We all have a responsibility to promote high standards of behaviour in the game.

Players tell us they want a referee for every match, yet thousands of match officials drop out because of the abuse and intimidation they receive on and off the pitch. **Respect** your referee today and you may just get one for every match this season.

Play your part and observe The FA's **Respect** Code of Conduct for players at all times.
